These Dentists or Dental Practices have agreed to charge no more than the area average fees for procedures which account for approximately 90% of services provided and 90% of dollars expended on dental care. The presence of a name on this list does not imply endorsement by HEG or its clients of a particular dentist nor does the absence of a name from this list have any meaning whatsoever. This list is furnished for the convenience of the persons covered by the employee benefit plans managed by Health Economics Group Inc. "Area Average Fees" are fee levels determined by Health Economics Group, Inc.
